We have moved to a smaller home. We do not have room for everything. We looked into storage, but that was way too expensive. It also is not a safe place for keeping our collectibles in nice condition. We will be selling some of our collectibles, oddities, and around the house things over the next few weeks.

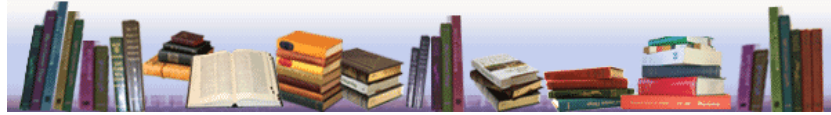

I am not a pro. I do not know how to rate or grade things. Please look at the pictures. The pics are of the actual items the winning bidder will be receiving.  
This is a smoke-free home.

Up here is a book from Mad Magazine celebrating 50 years of Mad humor. It is named "Mad For Decades" "50 Years Of Forgettable Humor From Mad Magazine". The author is listed as "The Usual Gang Of Idiots". It has several copyrights ending with 2007. It is a large small book. What??? It is a smaller size but very thick. The cover is about 6 1/2" x 8". It is 2 1/2 inches thick. It is full of excerpts from the magazine over the last 50 years. It is divided up by decades. Some great things in here. Brings back a lot of memories. They didn't number the pages, but at 2 1/2 inches you know there is a lot of material. I listed it as new because of it's condition. I got it as a present. It is too small of print for me. I enjoy back issues of the magazine. They are easier to read and are complete for each edition. The book is selected parts from over the years. The dust jacket has no wear, rips, creases, or marks. The cover is free of damage. The pages are great. There are no rips, bends, folds, marks, etc. There are no "dog ears" or thumbing thru" damage. The corners are sharp. If you look at the bind, it looks like it has never been opened. This is a crisp, clean copy. I take good care of my books.  
If you are a fan of Mad, like satire, and/or like to remember humor over the last 5 decades, this is your book.
