Join Us

Our goal is to bring together golfers for two days of golfing fun and to raise money for two important, nationally recognized institutions, located in our community - Loma Linda University Medical Center Transplantation Institute and the FAIR Foundation.

The lack of an organ gift causes 17 people a day to die needlessly. The skill of our doctors and staff plus the technology has a success rate of 85%.

Your participation will help provide care and support to the pre- and post-transplant patient and their families. It is through your participation that we can soon have organs for all who are in need.

Lets have fun, enjoy each other's company, but in the end, know that we have helped pass on the "Gift of Life."

Hope to see you there,
Frank Fefferman, Event Chairman

Our Mission

Tee Off 4 Life is dedicated to saving lives and improving the quality of life for people who are both pre- and post-transplant. This is done through support and care of the patient, as well as sharing information with the greater community.

Our Motto

Giving the "Gift of Life"
